Q.116 to 125: Read the passage carefully. Blanks have been given in the passage and the question numbers are marked before each blank. Choose the correct answer from the options given below the passage.

I went to New Zealand on a student program last year and I would like to (116) — about it. It was very (117) — when I was going to New Zealand because I had never been there before. I did not think about the problems of speaking English (118) — . I met my host family. At first I could not communicate with them because my English was so bad. All the eight years I (119) — been learning was not much use at all, (120) — we did not have the real practice at school. Even though my grammar was good, my pronunciation was not. My problem is pronouncing "l" and "r". For example, New Zealand people often asked "What do you eat in Thailand?" I wanted to tell them that we eat rice,

but they did not understand when I said "We eat lice". My host Mum helped me a lot by (121)----- my bad pronunciation . I usually practiced by talking to myself when I had a shower, so no one could hear me. After four months, my English was (122)----- better. Apart (123)-----English, I learnt to make my own breakfast and lunch. I had to ride a bicycle to school everyday. I went swimming and tried water skiing and sailing, (124)----- was wonderful. But the most valuable thing was that I learnt to be (125)----- myself and to be independent.

- |      |              |               |             |               |
